

## How to draw a kiwi bird

### Step one

1 / Draw the head by first drawing the dotted lines of the small circle.

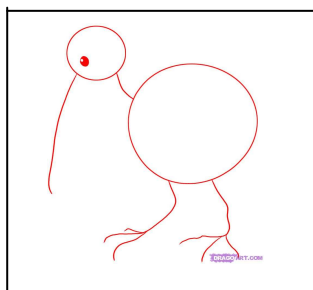

2 / Draw the body by drawing the dotted line of the big circle.

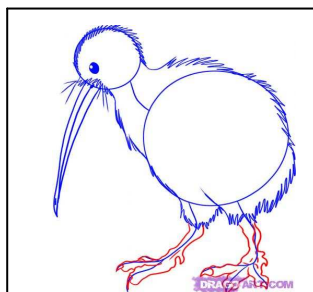

### Step two

Continue the dots for kiwi legs. Pay attention to the small curves around toes.

### Step three

Finish the eye, eye brow, wings and claws.

### Step four

Finish drawing the kiwi. Close carefully the dotted lines of the feathers of kiwi bird.
